Library and Media Center Materials

School library and classroom library books are provided primarily for use by District students and staff. Library books may be checked out by either students or staff. Individuals that check out books are responsible for the care and timely return of those materials. The building principal may assess fines for damaged or unreturned books.

District residents, or parents/legal guardians of non-resident students attending Chinook Public Schools, may be allowed use of library books at the discretion of the building principal. However, such access shall not interfere with regular school use of those books. Use of the library books outside of the District is prohibited except for inter-library loan agreements with other libraries.
