Attendance Policy - Truancy

Students are expected to attend all assigned classes each day. Teachers shall keep a record of absence and tardiness. Before the end of the school day, each school shall attempt to contact every parent, guardian, or custodian whose child is absent from school but who has not reported the child as absent for the school day, to determine whether the parent, guardian, or custodian is aware of the child's absence from school.

For the purpose of this policy "truant" or "truancy" means the persistent non-attendance without excuse, as defined by this policy, for all or any part of a school day equivalent to the length of one class period of a child required to attend a school under 20-5-103. "Habitual truancy" means recorded unexcused absences of 9 or more days or 54 or more parts of a day, whichever is less, in 1 school year.

The Chinook School District's definition of non-attendance without excuse is stated in the respective school student handbooks.

The Chinook School district has appointed each Building Principal as the attendance officer(s) of the district.

The Chinook School District's attendance officer is the Blaine County Superintendent of Schools.
