Fund-Raising by School Support Groups

Fund-raising by school support groups such as booster clubs, parent councils, and the like are considered a usual part of the function of such groups. The specific fund-raising activities must be approved in advance by the principal.

All such funds raised by school adjunct groups are to be used for the direct or indirect support of school programs. Equipment purchased by support groups and donated to the schools becomes the property of the Chinook Public Schools and may be used or disposed of in accordance with District policy and state law.
