Hiring Process and Criteria

The Superintendent is responsible for recruiting personnel, in compliance with Board policy, and making hiring recommendations to the Board. Educational support personnel applicants are initially screened by the principal. The District shall hire highly qualified personnel, consistent with budget and staffing requirements, and shall comply with Board policy and state law on equal employment opportunities and veterans' preferences. All applicants must complete a District application form in order to be considered for employment.

Each applicant must provide a written authorization for a criminal background investigation. The Superintendent will keep any criminal history record confidential as required by law and District policy. The District will create a determination sheet from the Criminal History Record. The determination sheet will be kept on file at the District Office. The Criminal History Record will be shredded on-site immediately after review. Each newly hired employee must complete an Immigration and Naturalization Service form, as required by federal law.

Certification

The District shall require that its contracted certificated staff hold a valid Montana Teacher or Specialist Certificate endorsed for the role and responsibilities for which they are employed. Failure to meet this requirement shall be just cause for termination of employment. No salary warrants may be issued to the staff member unless a valid certificate for the role to which the teacher has been assigned has been registered with the County Superintendent within sixty (60) calendar days after the term of service begins. Each contracted teacher and administrator shall bring their current, valid certificate to the personnel office at the time of initial employment as well as at the time of each renewal of certification.

The personnel office shall register all certificates, noting the class and endorsement and updating the permanent record card as necessary. In addition, the personnel office will retain a copy of each contracted certificated employee's valid certificate in the employee's personnel file.
