Assignments, Reassignments, Transfers

The right of assignment, reassignment and transfer shall remain that of the District. Written notice of a reassignment or involuntary transfer shall be given the employee. Opportunity shall be given for the staff member to discuss the proposed transfer or reassignment with the Superintendent or his/her designee.

All teachers shall be given notice of their teaching assignments relative to grade level, building and subject area before the beginning of the school year. All employees of the District who are assigned extracurricular activities as a contract obligation must honor this obligation as a condition of employment unless released from this responsibility by the Board.

In the event that changes in assignments are necessary because of unforeseen circumstances, affected teachers shall be given notice.

Provisions governing vacancies, promotions and voluntary or involuntary transfers may be found in the current negotiated agreement between the Board and the Chinook Education Association. Final placement of any employee will be made by the Superintendent.
