

Dear Parents-

We have had a great first quarter. Students have been working hard in all academic areas and working on following school expectations. We are continuing to focus on our Montana Behavior Initiative program by encouraging positive behaviors throughout the school. We are handing out positive behavior tickets to students focusing on the "BEETS": Our school expectations are Be Respectful, Exercise Responsibility, Engage in learning, Try your Best, and Stay Safe.

Thanks for everyone's help with the fundraiser. The money earned pays for our swimming program, student equipment, playground needs, and field trips for all classes. This past month 6th grade students had the opportunity to take an overnight field trip to Helena to the Montana Fish, Wildlife and Parks Wild Discover Center and the Lewis and Clark Interpretive Center in Great Falls.
