January 2020

Dear Parents

Welcome back and Happy New Year! I hope everyone had a great break!

In January we will be doing our 2nd benchmark testing using MAPS reading /math assessment and DIBELS fluency assessment. January 16th is the end of the 2nd quarter.

Please have students dress in warm clothes for when we go outside. Outdoor recess is held when temperatures are above 0.

We have lots of clothes that are left behind on a daily basis. Please remind students to check the lost and found rack for their missing items.

We will be having theatre workshops again this year presented by the Missoula Children's Theatre.

Please remember to help your child get to school on time. When students are tardy, they miss valuable information and directions at the start of the day.

A couple of reminders: Please use caution through our school zone and keep a watchful eye on our crossing guards. Remind your children to dress appropriately for playing outside. Handbook Policy states "If your child is well enough to come to school, he/she will be expected go outside".

It's MAP Testing Time Again!

January 6th-15th

MAP is an acronym for "Measures of Academic Progress." Each classroom has scheduled times for testing in mathematics, language, and reading. Interruptions are kept to a minimum; please try to avoid absences during these days.

Assuring that your child gets a good night's sleep and a healthy breakfast will get your child off to a good start each morning.

"MAP dynamically adapts to a student's responses—as they take the test.

- Answer a question correctly and the test presents a more challenging item.
- Miss a question, and MAP offers a simpler item.

In this way, the test narrows in on a student's learning level, engaging them with content that allows them to succeed." --reprinted from NWEA.org
