MEADOWLARK ELEMENTARY SCHOOL

January 2021

Did you know??

*You can check your child's grades and pay for lunch online!
Email evansm@chinookschool.org for more information.*

Hello Meadowlark Families,

Welcome back and Happy New Year! I hope everyone had a great break! It is almost the end of the semester and we are still in school. Thank you to everyone, parents, community members, and staff that have helped keep us in the building. Things like parents monitoring their child's health, community assistance, and teachers being creative and stepping up to do extra that are keeping us in school. I am proud to be part of a school and community that supports their school. Our children are getting a full education due to these efforts.

We will begin our 2nd benchmark testing using MAPS reading/math assessments and DIBELS fluency assessment. We are looking forward to seeing growth in our students and addressing areas that may need improved. Please remember that January 21st is the end of the 2nd quarter/semester.

Please remember to help your child get to school on time. When students are tardy, they miss valuable information and directions at the start of the day.

-Mr. Bartschi

IMPORTANT!!!!

Due to COVID-19 there will not be a Missoula Children's Theater this year! No Rumpelstiltskin....

A couple of reminders: Please use caution through our school zone and keep a watchful eye on our crossing guards. Remind your children to dress appropriately for playing outside. Handbook Policy states "If your child is well enough to come to school, he/she will be expected to go outside."

Student of the Month

- Gibson - Parker Paulsen
- Hasler - Elliot - Jaxson Parker
- Edwards - Amiya Greetham
- Jones - Enom Seymour
- Barber - Peyton Martel
- Davies - Hayden Paulsen

- Fouts - Wacee Simenson & Harley Haugen
- MacLeod - Bryce Elliot
- Paulsen - Amyerah Kelly
- Deanon - Kolton DePriest

Follow our FaceBook Page, “Chinook Meadowlark Elementary” and check the Chinook School Website!!

It's MAP Testing Time Again! January 25th -February 1st

MAP is an acronym for “Measures of Academic Progress.” Each classroom has scheduled times for testing in mathematics, language, and reading. Interruptions are kept to a minimum; please try to avoid absences during these days.

Assuring that your child gets a good night's sleep and a healthy breakfast will get your child off to a good start each morning.

“ MAP dynamically adapts to a student's responses as they take the test.

- Answer a question correctly and the test presents a more challenging item
- Miss a question, and MAP offers a simpler item.

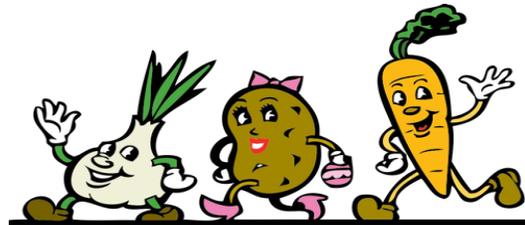

In this easy, the test narrows in a student's learning level, engaging them with content that allows them to succeed.” ...reprinted from NWEA.org
